

## **Summer P.E. Info for SJHS July 2020**

**Teachers:** Hannah Dobson and Eric Gaff

**Dates:** July 6-24, 2020

**Time:** 8:00 a.m. - 12:00 p.m.

**Cost:** \$350.00

**Activities/ Locations:** Golfing at Hackers, Yoga at school, Skating at Galaxy, Bowling at Strikes and Spares, Self-Defense at school, Kayaking in New Buffalo, Paintball at Total Control, Ice Skating at Compton, and activities at Skyzone, Rum Village, Kroc Center, and Outpost Sports

**Protocol:**

The Physical Education class that takes place during the summer is mainly for the graduating Class of 2023 and 2024. Any summer course that a SJHS student would like to take, either online or in person, needs to be approved by the SJHS Counseling Department. A student is able to participate in this one-semester course once. The other P.E. credits will occur during the school year.

The sign-up for this course will “go live” on the 18th of February and close on the 9th of March. The link will be published in our school communication, Soundings, and will also be on our website.

Each submission/ family name will be given a number. In order to choose names for the class, we will randomly choose numbers to decide (Note: First consideration will be given to students with unique scheduling needs based on their course programming). We will let families know if they were accepted into the course by March 16th. The deadline to pay is the 23rd of March. After that date, unsecured spots will be given to the next family on the waitlist. We will notify the waitlist families of their status on the 27th of March.

This program is a fun and exciting way to earn a student's P.E. credit. Thank you for helping us make this an efficient and fair for all.
